marble & granite

The way to find the best in custom-made countertops is to consult those who are experienced in the business.

Experience is why Discover Marble & Granite has a great reputation in the industry. We offer the latest in an array of materials, including exotic natural stone, quartz and ultra-compact surfaces, and have expertly completed thousands of jobs.

Our service guarantee puts our clients as top of mind and is aimed at making your countertop selection and installation simple and stress-free.

We know your design project is an investment and we want to ensure that each client receives the red-carpet treatment. Our friendly and experienced staff is here to guide you through the process to help bring your project to life.

Throughout our history, we have emphasized the use of state-of-the-art equipment and technology in our facilities. Offering the best fabrication tools increases our production capacity and overall customer satisfaction.

Discover Marble & Granite offers the best in professional quality, attention to detail and reliable service.

**Discover design. Discover beauty.  
Discover the difference.**

## The Discover Experience

**Welcome!** When you visit us at Discover Marble & Granite, you will have the opportunity to look at various countertop materials and design options. With the help of one of our experienced staff members, we'll make the process easy and fun!

After choosing the materials that suit your space best, we'll work with your kitchen and bath dealer to create an estimate for your unique project. Upon review, you will sign a contract that guarantees your materials, production and installation scheduling.

### Agreement

### Template

A template date will be scheduled following the agreement. Our skilled template technicians will come to your home to precisely measure for your new countertops.

The template is digitized and any adjustments are made. Your handpicked material is then cut with state-of-the-art technology to ensure phenomenal detail and accuracy. Once cut, the material is edged, polished and quality checked.

### Fabrication

### Installation

The day you are waiting for is finally here! Our highly experienced installation team will arrive at your home during the time specified to safely install your countertops and review important information regarding the care of your new surface.

### Satisfaction

At Discover Marble & Granite we pride ourselves on 100% customer satisfaction. We are here to ensure that each client receives our utmost attention and our knowledgeable staff has helped bring your design vision to life. We love to hear about our customers' experiences and hope to serve you again in the future!
